Subject: 1-Pager on OOOOa Compliance Amendments

Josh: Please share with Bill and, as appropriate, others. We are accelerating our rulemaking action for two pieces of the O&G NSPS, given industry concerns about certain compliance deadlines. We are sending this 1-pager for Bill's awareness now, because we are planning to send the final rule package (Administrator signature) to DC as soon as next week.

Let me know if you have any questions.

Mike
